## CELLARS

### 2008 COASTLINE

*Paso Robles Cabernet Sauvignon*

*California boasts 840 miles of beautiful coastline. Along this vast stretch is an area between Santa Cruz and Santa Barbara called the Central Coast where vineyards were first planted by Franciscan Friars. They recognized that the fertile valleys and hillsides, cooled by ocean breezes, were ideal for growing premium wine grapes. Coastline Cellars is steeped in this rich tradition of winemaking and delivers well-balanced, premium quality wines.*

#### *Wine:*

Coastline Cabernet Sauvignon is a concentrated wine with a full body and bold structure. Aromas of cassis and crushed red berries are layered with hints of vanilla and sandalwood. The palate mirrors the nose with lush flavors of ripe red berries and cassis and a hint of spice that carry through the mid-palate. This Cabernet Sauvignon was aged in a mix of French and American oak barrels. The finish is juicy with slightly toasty notes and cocoa powder tannins.
