

## HER FAULT/HIS FAULT

*California Premium*

*Did the earth move for you? It's her fault. Do you feel like your world's been turned upside down? Totally her fault. Are you left craving a sumptuous, deeply flavored blend, with a supple mouthfeel and a really long finish? Now, that's really Her Fault – a wine so earth-shatteringly good it's everything California wine is cracked up to be.*
