

TWISTED VINE

California Coastal

It's twisted logic to think that the juiciest, most concentrated and flavorful grapes come from the oldest, most gnarled and tired looking vines – and yet, in the case of Zinfandel, “better with age” actually does refer to the vine. Sourced from low yielding, old vine vineyards on the edge of the Sacramento River Delta, our Lodi Twisted Vine Zinfandel is a classically rustic Zinfandel revealing rich, chewy layers of blackberry, bramble and wild spice with just a hint of vanillin oak on the finish.
