

## 2007 BIG ASS CAB

*Napa Valley Cabernet Sauvignon*

*There is nothing subtle about our Big Ass wines! From the name to the label to the fruit-driven flavor profile, these wines make a bold statement. Big Ass wines deliver everything that typifies the California winemaking style: full-bodied and full-flavored Cab and Zin and soft, round, buttery-toasty Chard. These wines are as big as their name!*

### *Wine:*

Fruit-driven and full-bodied with lush aromas of cassis, crushed red berries, and slight cinnamon and cedar nuances, our Big Ass Cab is a perfect complement to any rich or savory meal. This wine was fermented warm (75-85F) with regular gentle mixing to ensure good extraction of tannin and color. The wine was aged in a mix of French and American oak barrels, which gives the wine balanced toasty oak and vanilla characters. The palate exhibits concentrated blackcurrant and ripe berry flavors that are layered with some lush cocoa powder tannins in the finish.
